

The SPF *Socialism and Capitalism* course will be taught by Thom Workman under the auspices of the *Leo Panitch School for Socialist Education*. Thom was Professor of Political Science at the University of New Brunswick until his retirement from university teaching in June of 2025. He taught a range of courses in critical political economy, political theory, and philosophy for both the political science and philosophy departments on the Fredericton campus. Thom has published several books and articles on topics ranging from the ancient historian Thucydides through to the evolving socio-economic structure of Canada. In 2009, he published *If You're in my Way I'm Walking: The Neoliberal Assault on the Working Class* (Fernwood). His most recent book (co-authored) is entitled *Marx, Engels, and the Philosophy of Science* (Routledge, 2023). Thom is currently working on a manuscript entitled *Dialectic Through Materialism*.
